Stirling Touch Summer Ceilidh

On Saturday night we'll be hosting our annual Summer Ceilidh in the clubhouse.

The Ceilidh has been a roaring success over the past four years and once again we're delighted to secure the **Fraser McKinnon Ceilidh Band**. They love playing this event as are always guaranteed a packed dance floor right from the start.

It's a great night's entertainment and you don't have to wear formal dress or kilts, anything goes, even fancy dress should you be inclined!

You can be sure to expect the return of the game 'Sniper' as we look for the 2015 champions, and when the ceilidh band finish we'll keep it going until closing time with usual mix of cheesy tunes.

Tickets for the night's entertainment, including a hearty plate of stovies, have been frozen yet again at £10 per head. Same price every year since 2007!

To help you guarantee your tickets, we're offering a special discount if tickets are bought along with entry to the tournament.

Any number of tickets can be booked in advance, but if you book a ticket for everyone in your team then you can save £20. **14 tickets for the price of 12**. Note that this offer only applies if paid in one payment with team entry form.

Any spare tickets will be sold on the day, but to avoid disappointment **we strongly recommend booking tickets with team entry form**.

Camping

As in previous years, free camping will be available onsite. The camping area will be behind the playing fields, only a hundred yards from the clubhouse where shower and toilet facilities will be available overnight

This is a great way to reduce costs, and in previous years we've found the party always continues on in campsite long after the ceilidh and clubhouse are closed. It certainly adds to the Stirling Touch Tournament experience!

Scottish Touch Series

Stirling Open is the first event in the Scottish Touch Series.

Launched in 2009, the STS is a four event series designed to give teams an extra challenge and compete to become STS Champions. Each event will run as normal, with STS points awarded to all teams competing based on their finishing place. The points will accumulate over the four events with an eventual champion being declared. Past champions have been Meerkats, Six Pack, Geckos and Galaxy. Current holders are Six Pack.

There are a number of key rules which may impact your team.

- The top 8 teams from the previous year's STS will be given first refusal of entry to each STS event. This first refusal expires on 8th May 2015.
- The seeding for an STS event draw is determined by an independent STA panel to ensure a fair and standardised approach across all events.
- All players representing a team must be registered prior to playing in an STS event.
- No player can be registered for two STS teams at the same time. (The only exception being constituted clubs with A and B teams.)
- Players may Transfer or Loan during the season, subject to certain rules.

Full details of STS rules and policies, and Team/Player Registration are available at <http://www.scottishtouch.org.uk/playing-touch/scottish-touch-series/>
